

CERTIFICATE OF COMPLIANCE

Certificate Number 20180716-E494848
Report Reference E494848-20171013
Issue Date 2018-JULY-16

Issued to: Shenzhen Signal Electronics Co.,Ltd
Building 82, Industry Zone 4th, Mashantou Community
Gongming New Area
Shenzhen
Guangdong 106518 CHINA

**This is to certify that
representative samples of**

**COMPONENT - CABLE ASSEMBLIES AND FITTINGS
FOR INDUSTRIAL CONTROL AND SIGNAL
DISTRIBUTION**
SEE ADDENDUM PAGE

Have been investigated by UL in accordance with the
Standard(s) indicated on this Certificate.

Standard(s) for Safety:
Additional Information:

SEE ADDENDUM PAGE

See the UL Online Certifications Directory at
www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's Certification and Follow-Up Service.

The UL Recognized Component Mark generally consists of the manufacturer's identification and catalog number, model number or other product designation as specified under "Marking" for the particular Recognition as published in the appropriate UL Directory. As a supplementary means of identifying products that have been produced under UL's Component Recognition Program, UL's Recognized Component Mark: , may be used in conjunction with the required Recognized Marks. The Recognized Component Mark is required when specified in the UL Directory preceding the recognitions or under "Markings" for the individual recognitions.

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, Director North American Certification Program
